

West Melbourne Community News

West Melbourne Residents
FREE composting services.
**Registration is going on
now. till February 10, 2023.**

WHY SHOULD WE COMPOST...IT WILL HELP OUR LAGOON AND LANDFILL CRISIS

KBB stands behind our commitments to make a real difference in our community, lagoon, and landfill but we need your participation to help fulfill our mission.

HOW DO WEST MELBOURNE RESIDENTS SIGN UP FOR FREE COMPOSTING SERVICES?

It's very simple, click on this link: [FREE COMPOST REGISTRATION](#) and fill in your information. Our Compost Coordinator will reach out to you and assign your zone and make arrangements to drop off your new compost bucket.

WHAT IF I HAVE QUESTIONS OR DON'T KNOW HOW TO COMPOST?

Composting is very easy and has great benefits. KBB staff are available Tuesday - Friday 9am - 6pm to answer all your compost questions.
