INTRODUCTION TO THE EQUAL EMPLOYMENT OPPORTUNITY PLAN

The Equal Employment Opportunity Plan establishes the policy and procedures set forth by the City of West Melbourne to prohibit discriminatory practices and behavior in all personnel matters, to promote a work environment free from bias and prejudice and where all employees may attain their full potential based solely on merit and ability, to designate oversight and administration of the plan, and to inform employees on all aspects of this plan.

Equal employment opportunity is consistent with the basic merit principles that all persons be afforded equal access to positions in public service based on their ability to do the job. Employment decisions shall be made on the basis of merit and in conformity with laws relative to equal employment opportunity and the Americans with Disabilities Act. These commitments also apply to job assignment, promotion, demotion, transfer, termination and disciplinary action. The City will follow all procedures and maintain all records necessary to achieve equal employment. If past policies have resulted in under representation according to law, the City commits itself to take all reasonably possible steps to identify and revise those policies so as to rectify any adverse effects.

The policies contained in this plan supersede any and all prior policies of the City with the exception of the provisions in the City Charter or Code of Ordinances. This plan is effective upon signature of the City Manager and is to be reviewed at a minimum of once every two years to ensure it is current and in compliance with the Equal Employment Opportunity laws and practices.

RE: Equal Employment Opportunity Policy

It is the policy of the City of West Melbourne to provide equal employment opportunities to all potential job applicants and employees and to maintain a work place free of bias and prejudice. The City recognizes that the prohibition of discriminatory practices is a means to achieve this objective. This policy, therefore, applies to all areas of employment, including: recruiting, hiring, training, promotion, compensation, benefits, transfer and discipline.

The City of West Melbourne prohibits discrimination and harassment of any type without regard to race, color, religion, sex (including pregnancy, gender identity, and sexual orientation), parental status, national origin, age, disability, genetic information (including family medical history), political affiliation, military service, other non-merit based factors, or any other characteristic protected by federal, state or local laws.

Such prohibited discrimination may manifest itself in many different forms including:

- Verbal conduct such as epithets, derogatory comments, jokes, slurs, invitations or any other comment that is demeaning;
- Visual conduct such as derogatory posters, pictures, cartoons, drawings, graffiti, writing or gestures;
- Physical conduct such as touching, assaulting, impeding or blocking normal movements, or interference with work because of discrimination.

The City of West Melbourne has zero tolerance for any offensive slurs, epithets, gestures, caricatures, drawings or writings of any sort directed toward employees or the general public. Any such incident should be promptly reported to the appropriate supervisor, Department Head, Human Resources Director or City Manager, as appropriate for the situation.

In the event an investigation determines that an employee has engaged in discriminatory or otherwise inappropriate conduct, disciplinary action up to and including termination will be taken. Retaliation in any form against an employee reporting discrimination or participating in an

investigation will not be tolerated and, upon verification, will likewise result in severe disciplinary action up to and including termination.
