Location (Legal Description): _____

Permission is hereby granted to: _____
(Company Name/Individual)

of _____
(Address) (State) (Zip)

For the construction and/or maintenance of: _____

SUBJECT TO THE FOLLOWING CONDITIONS:

All work shall be done in keeping with the standards of the City of West Melbourne and under the supervision of the City Engineer and Code Enforcement Official who will be notified at least one day prior to commencement of construction.

All materials and equipment shall be subject to inspection by the City.

During construction, all safety regulations of the State Road Department shall be observed and the City shall be relieved of all responsibility from damage of any nature arising from this permit. Subject to the same terms and conditions, the permit holder may take such safety measures, including placing and display of caution signs, as it may deem necessary in conduct of construction and maintenance work hereunder.

All private and all City property shall be restored to its original condition as far as practical, in the opinion of the City.

All underground crossing installations shall be laid at such depth as may be specified by the City.

The sketch covering the details for this installation shall be made a part of this permit. This permit is granted with the understanding that the applicant has notified all other utility users in the area covered by the permit and takes full responsibility for any damage incurred by prior installations as a result of his operations. He also takes full responsibility for notifying any and all utility or underground users of his proposed operations in order that they may safeguard their interests.

It is expressly stipulated that this permit is a license for permissive use only and that the placing of facilities upon public property pursuant to this permit shall not operate to create or to vest any property right in said holder.

Whenever the City decides to further exploit its right-of-way or easements, any or all of said poles, wires, pipes, cables or other facilities and appurtenances authorized hereunder shall be immediately removed from said right-of-way or reset or relocated thereon as required by the City at the expense of the holder of this permit.

The holder shall save and keep the City harmless from any and all damages, claims or injuries that may occur by reason of the construction, maintenance and operation of said facility.

The holder shall complete the requested work within _____ days or this permit shall become null and void. In the event the work requested is not completed upon the expiration date of this permit, in the City shall have the right to complete such work and to charge the holder of the permit for all costs incurred in completing said work.

Submitted by: _____ State Control No: _____
Permittee Signature (if applicable)

Contact Telephone Number: _____

The holder shall post a cash or surety bond with the City in the sum of \$ _____ dollars to guarantee performance of the obligations herein, and to guarantee maintenance of the right-of-way described herein for a period of one (1) year following completion of the requested installation. In the event a surety bond is posted, the said surety bond shall be made payable to the City and shall obligate the surety to hold the City harmless in the event the holder of this permit should fail to meet any of its obligations hereunder. The bond shall also indemnify the City for all court costs and reasonable attorney's fees in the event legal action is required to collect on said bond.

Upon completion of work, and prior to the final inspection, three (3) copies of as-built drawings shall be submitted to the Code Enforcement Official detailing all work performed.
