

# Minton Minute

October 19, 2020

## Project Activities Completed:

Completed virtual public outreach through hosting an informational webinar on August 26, 2020, providing a website set up to mimic a public meeting, and accepting survey responses/feedback.

**230**  
Survey  
Responses

**900+**  
Website  
Visits

**70**  
Webinar  
Attendees

The Study Team has been working on compiling all comments and feedback received during the public outreach activities. Information on the outreach process and comments received can be found in the Public Meeting #1 Summary on the Minton Road website.

## Upcoming Tasks:

Project Team is working on the following:

- Finalizing preferred alternatives to move forward into concept development
- Develop concepts
- Finalizing recommendations for technical committee review

### Tentative Save the Date

- December - Technical Committee Meeting
- January - Public Meeting
